Colourlite is a made to measure opaque coloured glass which is ideal for use on doors of wardrobes.

- Over 300 RAL colours to choose from including a mirror finish and a blue or grey satin finish which can create a striking look.
- We can process Colourlite glass using a combination of lazer guided drills, CNC cutting machines and a toughening furnace, to accurately process different sizes and cut outs.
- Our innovative Kleenglass automatic paint line ensures each Colourlite pane is processed with an even coverage of paint without pinholes.
