Ravensby Glass stock all products allowing highly competitive pricing with a fast turnaround to customers throughout the UK.

The Scottish Parliament

Building Regulations are becoming more stringent and specify glazed areas stop the spread of fire. To accommodate this demand, Ravensby Glass process and supply AGC Pyrobel.

We offer the following ranges of Pyrobel which are all also available in external Grade:

PYROBELite 7

7mm Pyrobelite-
30 minutes integrity only

PYROBELite 12

12mm Pyrobelite-
60 minutes integrity only

PYROBEL 16

16mm Pyrobel-
either 30 minutes integrity/30 minutes
insulation or 60 minutes integrity/ 30
minutes insulation.

PYROBEL 25

25mm Pyrobel-
60 minutes integrity/ 60 minutes
insulation.

Certification documents are available to demonstrate the integrity and insulation of the glass. We can also provide documents that recommend best glazing practices.

- Cut to size
- Compatible with timber or steel frames
- Available in single and double applications
