

JOB VACANCY

Weekend Supervisor

We are seeking a full-time Supervisor to help organise and manage a small team covering our weekend shift.

It is essential that you have;

- Proven Supervisory background preferably gained in a manufacturing environment.
- Strong communication skills
- Able to plan and organise the workload
- Be computer literate
- Be reliable

Please note that this post is not an office based role and will likely involve the manual handling of glass/double glazed units, therefore applicants must be willing and able to do so.

Hour of work are Friday to Sunday 6am to 6.30pm (36hours). Wage will be Dependent on experience.

If you are interested in this post, please submit an up to date CV illustrating your supervisory experience and why you wish to work this shift pattern. Please ensure you provide two employment referees (these will not be contacted until an offer is made)
