

Job Vacancies - Glass Processors

Ravensby Glass are seeking dynamic individuals who take pride in their work and are keen to learn new skills to join our manufacturing team. Previous experience working in a manufacturing/production environment would be beneficial, however we welcome individuals to apply from all backgrounds.

Responsibilities include:

- Using different machinery and production line equipment.
- Reading and understanding diagrams
- measuring accurately
- manual handling of glass so therefore a degree of fitness is required
- Performing other tasks as assigned.
- Following health and safety standards.
- Maintaining a clean workstation and production floor
- Working as a team to meet targets

Hours of work and shift pattern will depend upon specific role, and you would be advised of the shift pattern at either interview stage or prior to starting if successful. Shifts could be one of the following:

- Mon to Thursday 6am to 6pm
- Mon to Friday 6am to 2.30pm
- Friday to Sunday 6am to 6.30pm
- Monday to Friday 6am to 2pm alternating weekly with Monday to Thursday 2pm to 10.30pm and Friday 2pm to 8pm

Training will be provided and there will be the opportunity for career progression and that wage increases as you become more skilled

If you are interested in our vacancies then please submit an up to date CV to info@ravensbyglass.co.uk
